

## AWE **Company Policy** statement

AWE will maintain the highest of standards for health, safety, security, environment and quality (HSSE&Q). The safe secure and clean performance of AWE is critical to everybody who works for AWE, our community and ultimately the success of our business.

We will conduct ourselves in a manner that maintains these standards by:

- Complying with all legal, regulatory, agreed stakeholder and customer requirements
- Preventing incidents, injuries, ill health and pollution
- Continually improving our performance throughout our activities by setting objectives, targets and adopting consistent best practices
- Promoting the health and wellbeing of our staff and making a positive contribution to the local community
- Governing and managing our business activities in an ethical and responsible manner
- Working in partnership with all stakeholders, staff, contractors and suppliers to ensure our policy and expectations are embedded in all our activities
